

# COLLEGE OF ENGINEERING, CONSTRUCTION & LIVING SCIENCES

## New Zealand Certificate in Construction Trade Skills Level 3 Programme Equipment List

### Congratulations on being accepted into Otago Polytechnic's Carpentry programme

The following stationery and tooling are required for the programme. This can be purchased with your course related costs through StudyLink.

#### The following items are required to bring on the first day:

##### Stationery – can be purchased through any stationery supplier:

- Note taking facilities – paper, pen and folder to store notes or laptop for taking electronic notes
- Scientific calculator (for Trig) – **cell phones not permitted in assessments as calculators.**

---

#### Personal Protection Equipment (PPE) – can be purchased from [Road Materials](#)

Please see the experts @ Road Materials to help with fitting your PPE, contacts are:  
[Jeff Wilson](#) or [Calum Wenlock](#)

**Personal Protection Equipment (PPE) must be fitted to your face correctly where applicable.**  
*If these items do not meet Health and Safety requirements once onsite you will be required to replace them with the correct ones at your cost.*

- Safety glasses – **must be fitted to your face properly** – approx. \$10-20
- Dust Mask (5 pack) – for use in dusty environment – approx. \$50 a pack  
*Disposable – you will be required to buy extra masks throughout the year as they are used*
- An approved pair of safety shoes or boots (steel capped) – approx. \$100-300

#### Additional PPE included in student kit below:

- Earmuffs (class 5) or class 5 non disposable ear plugs (**NO electronic ear muffs**) – approx. \$40  
*Included in student kit through Placemakers as per below tooling list*
- Working gloves – flexible snug fit for handling timber and steel – approx. \$10-20  
*Included in student kit through Placemakers as per below tooling list*

---

#### Textbook:

- To be advised on your first day (we supply these at a discounted special cost of approx. \$50)

---

#### Tooling:

- 8m tape, padlock for locker, 1m folding carpenter's ruler, 2 RED builder's pencils (for timber)
- Toolkits with hand tools will be provided for students to use throughout the programme
